No.12(7)/TAMC Meetings/ATUFS/2018/TUFS/193

Date : 18 .12.2018

Sub: Minutes of 12th meeting of the Technical Advisory-cum0Monitoring Committee (TAMC) under ATUFS held on 22.11.2018 at 2.00 PM in Office of the Textile Commissioner, Mumbai

Sir,

The minutes of the 12th meeting of Technical Advisory-cum-Monitoring Committee (TAMC) under ATUFS held under Chairmanship of Shri Sanjay Sharan, Textile Commissioner on 22.11.2018 at 2.00 PM in Office of the Textile Commissioner, Mumbai is enclosed herewith.

Encl: As above

Yours faithfully,

(S.K.Singh)

Deputy Director

To

All members of TAMC

Copy to:

1. PS of TXC – for kind information
2. Shir.Ishwar Sharan, Under Secretary, TUFS Section, Ministry of Textiles, New Delhi
3. M/s. Silvertouch Technologies.

Minutes of the 12th Meeting of the Technical Advisory-cum-Monitoring Committee (TAMC) under A-TUFS held on 22.11.2018 respectively at 02.00 P.M in the Office of the Textile Commissioner, Mumbai.

The 12th meeting of the TAMC under Amended Technology Upgradation Fund Scheme (ATUFS) was held under the Chairmanship of Shri Sanjay Sharan, Textile Commissioner on 22.11.2018 at 02.00 P.M in the Conference Hall of the Office of the Textile Commissioner, Mumbai. The list of participants is enclosed as **Annex – 1**.

At the outset, the Textile Commissioner welcomed all the participants. Thereafter, agenda points were taken up for discussion.

Agenda No. 1 : Confirmation of the minutes of the 10th and 11th meeting of TAMC held on 04.05.2018 and 16.05.2018 respectively

Minutes of the 10th and 11th meeting of TAMC were forwarded to all members on 28.05.2018 from TxC office. As, no comments/suggestions are received from the members of TAMC, **the minutes are taken as confirmed.**

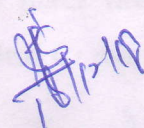

- a) The following Agendas of the 10th and 11th TAMC are to be placed before the IMSC for decision:
 - i. Agenda No. 6- Extension of timeline for JIT request beyond two years.
 - ii. Agenda No. 7- Inclusion of standalone embroidery units under ATUFS.
 - iii. Agenda No.9(a)- Machine Serial number in Shipping Documents (Commercial Invoice or Bill of Entry or Airways bill or Bill of lading) for Imported machineries and Commercial Invoice for Domestic machines as per Para6.4.3 of ATLIFS Guidelines- Consideration of packing list for imported machines.
- b) The following Agenda will be forwarded to Ministry of Textiles
 - i. Agenda 9(b)- Review on NABCONS study on Evaluation / Assessment of committed liabilities data submitted by lending agencies to the Ministry of Textiles for reimbursement of subsidy for term loans sanctioned under MTUFS and RTUFS for textile industries.
- c) The Agenda No. 5(b) with regard to allowing the enlistment of reputed companies without documents has to be reviewed.

Agenda No. 2: Review of Progress of TUFS

The committee reviewed the progress of TUFS. The Textile Commissioner informed the Committee that the CAG in its report submitted to Ministry of Textiles in the year 2015 has raised some serious objections on the TUFS Scheme and its implementation. Due to this reason the Ministry of Textiles has directed the Textile Commissioner to constitute an internal Committee for suggesting the percentage of JIT to be carried out for all bank route cases besides other measures to be adopted for addressing the objections of CAG and PAC. The Committee has already submitted its report to Ministry. This is the reason that the on-going claims of MTUF, RTUF and RRTUFS are not being processed.

The representative from the Industry Association informed the Committee that the progress of NABCONS is not encouraging and industry are suffering due to the same. The Textile Commissioner appraised that out of 9303 accounts, so far NABCONS has provided details for about 1300 accounts. Some of the details are not authenticated by the respective bank.

The committee recommended that the above may be placed before the forthcoming meeting of IMSC for information.

Agenda No. 3 : Clarification on eligibility of Label Weaving Machine (which has been procured from a manufacturer who procured basic loom from other manufacturer), Film Calendaring machine, etc (Machine purchased from different vendors as part and assembled at site)

a. Label Weaving Machine

Under ATUFS it is observed that some units have purchased Label Weaving Machine (which has been procured from a manufacturer who procured basic loom from other manufacturer). In this regard, the machinery manufacturer i.e. Label Weaving Machine manufacturer informed that they are purchasing Brand new loom and Jacquard from other manufacturers, then assembling and modify with Thermal cutting and calendaring device, Thermo fixing arrangement, Electrical panels to make the machine suitable for woven label production.

In such machines there are three nameplates i.e. for the Basic Loom, Jacquard and another one for label making parts.

It is pertinent to mention that as per guidelines of ATUFS dated 29.02.2016, make, year of manufacture, name of the manufacturer and serial number of all the eligible benchmarked machinery are clearly indicated on the machine and as per Revised Resolution of ATUFS dated 02.08.2018, Model number and serial number of machinery shall be clearly indicated on the machine.

The Committee deliberated the issue and recommended to place the issue to Technical Committee. Thereafter the recommendation of the Technical Committee may be taken up in the next meeting of TAMC.

b. Film Calendaring machine, etc (Machine purchased from different vendors as part and assembled at site

A Unit has purchased a Film Calendaring Machine in two parts from Two vendors, One from Imported and another from Indigenous machine manufacturer. These machines will have separate Invoice and there may be separate nameplates.

It is pertinent to mention that as per guidelines of ATUFS, machine serial number should be expressly written on Commercial Invoice and Invoice date is referred as Purchase date. Further, as per guidelines of ATUFS dated 29.02.2016, make, year of manufacture, name of the manufacturer and serial number of all the eligible benchmarked machinery are clearly indicated on the machine and as per Revised Resolution of ATUFS dated 02.08.2018, Model number and serial number of machinery shall be clearly indicated on the machine

The Committee deliberated the issue and recommended to place the issue to Technical Committee. Thereafter the recommendation of the Technical Committee may be taken up in the next meeting of TAMC .

[Handwritten signature]
10/11/18

c. Complete Production Line for Manufacture of Surgical Bleached Cotton

Under ATUFS at MC 3 (j) Complete Production Line for Manufacture of Surgical Bleached Cotton is covered for ATUFS. A Unit has purchased the Line. However, the line consist of several type of machines such as HTHP Bleaching/Dyeing machine and Centrifuge Hydro Extractor involved in processing and Fine Opener, Online Contamination Machine, bale press etc in Fibre preparation process which have been purchased from different vendors. The machines have been purchased from different vendors and assembled in the site.

These machines will have separate Invoice and there may be separate nameplates. It is pertinent to mention that as per guidelines of ATUFS, machine serial number should be expressly written on Commercial Invoice and Invoice date is referred as Purchase date. Further, as per guidelines of ATUFS dated 29.02.2016, make, year of manufacture, name of the manufacturer and serial number of all the eligible benchmarked machinery are clearly indicated on the machine and as per Revised Resolution of ATUFS dated 02.08.2018, Model number and serial number of machinery shall be clearly indicated on the machine

The Committee deliberated and recommended to IMSC that such kind of purchase of various machines forming the Complete Production Line for Manufacture of Surgical Bleached Cotton may be allowed to be procured from various vendors. Accordingly the invoices of respective vendors shall be accepted.

d. Complete production lines or the component / parts forming the production line for the manufacture of following non-wovens upto rolled goods preparation and packing, viz.:

- i. Chemically bonded non-woven
- ii. Stitch bonded non-woven
- iii. Spun bonded non-woven
- iv. Melt blown non-woven
- v. Spun bond melt blown non-woven (SMS non-wovens)
- vi. Needle punch non-woven
- vii. Thermal bond non-woven
- viii. Spun lace non-woven
- ix. 3-D Nonwoven Machines
- x. Eletrospun Nonwoven Machines

Under ATUFS at MC 3 (g) Complete production lines or the component / parts forming the production line for the manufacture of following non-wovens upto rolled goods preparation and packing is covered for ATUFS. However some units purchases some machine of Non woven line from different vendors and assembled in the site.

These machines will have separate Invoice and there may be separate nameplates. It is pertinent to mention that as per guidelines of ATUFS, machine serial number should be

expressly written on Commercial Invoice and Invoice date is referred as Purchase date. Further, as per guidelines of ATUFS dated 29.02.2016, make, year of manufacture, name of the manufacturer and serial number of all the eligible benchmarked machinery are clearly indicated on the machine and as per Revised Resolution of ATUFS dated 02.08.2018, Model number and serial number of machinery shall be clearly indicated on the machine

The Committee deliberated and recommended to IMSC that such kind of purchase of various machines forming the Complete Production Line for non-wovens may be allowed to be procured from various vendors. Accordingly the invoices of respective vendors shall be accepted.

Agenda No. 4 : Inclusion of Machineries under ATUFS

I. AEPC has sent a representation on the following:

- (a) To consider following six machines under MC 4 (Machinery for Apparel and Garments) under ATUFS for 15% CIS which are at present covered at MC 2 (Machinery for Processing of Fibre/Yarn/Fabric) for 10% CIS**

S. No	ATUFS No.	Sr.	Name of the Machine
i.	MC - 2 (73)		PLC based Husk/oil / gas fired boiler (Steam /Thermic fluid) with automatic control on combustion efficiency, O2 Monitoring Equipments, and with Electrostatic precipitator and Micro dust collector
ii.	MC - 2 (75)		Automatic Hydroextractor
iii.	MC - 2 (9)		Reverse Osmosis, Nano Filtration , Multiple stage prefabricated steel evaporator excluding civil construction
iv.	MC - 2 (33)		Automatic Crush machine for uneven pleat for grey/dyed fabrics.
v.	MC - 2 (36)		Water softening plant.
vi.	MC - 2 (76)		PLC controlled Curing/Polymerising Machine

The Committee deliberated and decided that the above machines are used in processing segment only (10% CIS) and as such these machines cannot be considered for 15% CIS under Garment segment

b) Inclusion of Technoflow Smart bubble (Nano Technology) Machine

This machine uses air from atmosphere, which generate micro bubble with Nano technology from water. Soft machine applies 2 different chemicals like softener & resin to the garment together with help of Nano micro bubble.

This machine also known as E-flow by M/s. Jenologia, Spain & have application such as resin finishing, softening, store flow, random flow, tinting, easy care, wrinkle free, water repellency & microbiological finishes etc. This machine is reported to save water, energy , labour and also eco-friendly

[Handwritten signature]
15/12/18

The Committee deliberated and decided to place the case to Technical Committee. The Technical Committee should examine the matter closely and also decide the segment in which machine can be considered. Thereafter the recommendation of the Technical Committee may be taken up in the next meeting of TAMC.

Agenda No. 5 : Ratification of inclusion of machinery manufacturer under ATUFS

- (a) The committee was apprised that the then Textile Commissioner had approved 128 number of indigenous machinery manufacturers and 121 number of imported machinery manufacturers after examining the required documents on file as per the procedure laid down by the TAMC. All these manufacturers have been found to fulfil all the requirements and have been enlisted accordingly. The list is to be ratified by the Committee as per the procedure in vogue. The Committee ratified the list of 128 no. of Indigenous machinery manufacturers and 121 no. of abroad machinery manufacturers as given in the Annex III of the agenda. The list is at **Annex 2**.
- (b) Regarding ratification of 143 reputed manufacturers which were recommended by the Expert Committee for enlistment, the Textile Commissioner informed the Committee that he wants to study the issue properly before the ratification of the same. Further, the Technical Committee may examine the requirement of documents for enlistment of such reputed machinery manufacturers and provide their comments to TAMC for decision. The list is at **Annex 3**.

Agenda No. 6 : Clarification on ATUFS guidelines issued vide GR dated 02.08.2018

Sr. No.	Para in Revised Guidelines	Details	Proposed Cut off date	Remarks	Decision taken by the Committee
1.	3.3	Machinery purchased directly from the machine manufacturers or their authorized agents/suppliers will be eligible for Capital Subsidy under the scheme.	Loan sanction date on or after 02.08.2018	Supplier is included.	The Committee recommended to place the proposed cut off date in the forthcoming meeting of IMSC for approval.
2.		Removal of Custom bonded warehouse and Stockist	Loan sanction date on or after 02.08.2018	Custom bonded warehouse and Stockist who are eligible as per earlier guidelines for stitching machines have been excluded. Some units might have purchased stitching machines from custom bonded ware house / Authorised stockists before applying for UID and after Loan sanction date as per earlier guidelines. So it is suggested that this clause	Restoration of Custom bonded warehouse and Authorised Stockist under ATUFS is recommended by the committee. The committee has further recommended to place the same in the forthcoming meeting of IMSC

[Handwritten signature]
18/12/18

Sr. No.	Para in Revised Guidelines	Details	Proposed Cut off date	Remarks	Decision taken by the Committee
				may be implemented for cases where loan sanction date is on or after 02.08.2018	for decision.
3.	3.8	Accessories / attachments / sample machines / spares received along with the machinery or procured from other manufacturers enlisted in the indicative list upto a value of 20% of the basic cost of the machinery will also be eligible for subsidy	Invoice date on or after 02.08.2018	Manufacturer of accessories has also to be enlisted in the indicative list as per new guidelines. It is suggested to implement with prospective effect i.e if purchase of accessory is on or after 02.08.2018	The Committee recommended to place the proposed cut off date in the forthcoming meeting of IMSC for approval.
4.	5.4	The minimum repayment period of the term loan sanctioned for availing the benefit of the scheme shall not be for less than three years including moratorium period for MSME units and not less than 5 years for other categories.	Loan sanction date on or after 02.08.2018	SSI has been changed as MSME in the modified guidelines. It is suggested that this clause may be implemented for cases where loan sanction date is on or after 02.08.2018	The Committee recommended to place the proposed cut off date in the forthcoming meeting of IMSC for approval.
5.	10.2.2	If Machine is purchased directly from the authorized agent / Supplier, a document showing that the Agent / Supplier is authorized by the manufacturer shall be required with the invoice	Invoice date on or after 02.08.2018	New clause included in the modified guidelines. It is suggested that this clause may be implemented for cases where invoice date is on or after 02.08.2018	The Committee recommended to place the proposed cut off date in the forthcoming meeting of IMSC for approval.
6.	10.2.3	Serial number should be expressly written on the Commercial Invoice/Bill of Lading/Airways Bill/ Bill of Entry	Invoice date on or after 01.04.2016	As per para 6.4.3 of earlier guidelines, it is mandated that the machine serial number should be expressly written on the shipping documents with effect from 01.04.2016. In the modified guidelines it has been removed. Since the revised guideline is issued on 02.08.2018, i.e after 01.04.2016, the effective date may be kept as 01.04.2016	The Committee recommended to place the proposed cut off date in the forthcoming meeting of IMSC for approval.
7.	10.2.4	Model number and serial number of machinery shall be clearly indicated on the machine	Invoice date on or after 02.08.2018	As per para 6.4.3 of earlier guidelines, it is made mandatory that make, year of manufacture, name of the manufacturer and serial number of all the eligible	Restoration of earlier requirements i.e. make, year of manufacture, name of the

Handwritten signature and date: 10/11/18

Sr. No.	Para in Revised Guidelines	Details	Proposed Cut off date	Remarks	Decision taken by the Committee
				benchmarked machinery are clearly indicated on the machine (s). It is submitted that many units may be benefitted if we keep invoice date on or after 02.08.2018 for this clause	manufacturer and serial number of all the eligible benchmarked machinery are clearly indicated on the machine (s). is recommended by the committee. The committee has further recommended to place the same in the forthcoming meeting of IMSC for decision.
8.	10.2.5	Installation and commissioning of the machinery covered under UID shall be done within one year from the date of sanction of term loan. Extension beyond one year may be permitted only on production of documentary proof that the order for machinery was placed within the prescribed timeline i.e. one year from the date of sanction of term loan	Invoice date on or after 02.08.2018	The maximum period of 2 years is not specified in the Revised Guidelines. In the earlier guidelines, for extension of JIT, it is not mandatory to submit documentary proof for order placed. Subsequently it was decided in the 2 nd IMSC meeting that Extension of JIT request may be permitted when the order is placed. In the Revised Guidelines, requirement of documentary proof for placement of order is included. As per new guidelines, it is suggested that if the first invoice (in case of multiple invoices/multiple machines) is on or after 02.08.2018, this clause is implemented.	The Committee recommended to place the proposed cut off date in the forthcoming meeting of IMSC for approval.
9.	3.10	Except in case of merger, acquisition, amalgamation or takeover of the entity, the plant & machinery purchased with the subsidy under TUFs shall not be disposed off before 10 years of date of purchase without prior approval of Textile Commissioner	Loan sanction date on or after 02.08.18	New Clause added in modified guidelines it is suggested that this clause may be implemented for cases where loan sanction date is on or after 02.08.2018	The Committee recommended to place the proposed cut off date in the forthcoming meeting of IMSC for approval.
10.		Para no. in earlier Guidelines 6.3.2.13: In case of any apparent mistake in the UID issued or in	UID issued upto 01.08.2018	Relevant portions in the revised Guidelines Para no. 10.1.15 UID will be a provisional approval for estimated	Restoration of provision for making "one time correction of the UID details will be

[Handwritten signature]

Sr. No.	Para in Revised Guidelines	Details	Proposed Cut off date	Remarks	Decision taken by the Committee
		<p>case of revision in the project during its implementation, one time correction of the UID details will be considered / permitted on case to case basis by the Textile Commissioner within one year from the date of issuance of UID provided that there will be no increase in subsidy</p>		<p>subsidy. Actual subsidy will be decided on the outcome of Joint Inspection for which procedure is detailed in subsequent paras Para No10.1.17 To ensure that date error shall not creep in the system, i-TUFS software will provide a strong maker-checker, character control and other internal controls in software. However, applicant will have to ensure that the data is error free and all requisite documents are uploaded correctly. Error in the applications will lead to rejection of the application.</p>	<p>considered within one year from the date of issuance of UID provided that there will be no increase in subsidy” is recommended by the committee. The committee has further recommended to place the same in the forthcoming meeting of IMSC for decision.</p>
11.		<p>Para no. in earlier Guidelines 8.1.3: In case the application gets rejected at any stage for any other reason the UID shall be suo-moto cancelled</p>	<p>UID issued upto 01.08.2018</p>	<p>This clause has been removed in the revised guidelines and this office has requested MoT to include this clause</p>	<p>Restoration of provision i.e. “In case the application gets rejected at any stage for any other reason the UID shall be suo-moto cancelled” is recommended by the committee. The committee has further recommended to place the same in the forthcoming meeting of IMSC for decision.</p>
12.	7.3	<p>As per revised resolution Purchase date shall be the date of when full and final payment is made by the entity for machinery as evidenced by the bank transaction statement or the date of commercial invoice whichever is later</p>		<p>Clarification is called from MoT to implement this clause i.e. it has to be implemented with retrospective effect or prospective effect. In case, if it has to be implemented with prospective effect then the date of purchase (i.e. date of when full and final payment is made by the entity for machinery as evidenced by the bank transaction statement or the date of commercial invoice whichever is later) has to be on or after 02.08.2018 (i.e. Date of issue of Revised Resolution).</p>	<p>The Committee has recommended that if the date of purchase (i.e. date of when full and final payment is made by the entity for machinery as evidenced by the bank transaction statement or the date of commercial invoice whichever is later) is on or after 02.08.2018 (i.e. Date of issue of Revised Resolution) then this clause is applicable.</p>

18/12/18

Agenda No. 7 : Any other point with the permission of Chair:

Additional Agenda No. 1: Carrying out JIT inspection beyond 88 days from the JIT request by RO TxC and Submission of JIT report beyond 90 days

It is observed that for many of the cases JIT inspection could not be carried out within 88 days from the JIT request and thereby JIT report could not be uploaded within 90 days by RO TxC due to various reasons like RO TXC has returned the JIT request due to some of the machinery manufacturers are not enlisted and the unit has selected the wrong machinery manufacturers, discrepancies in JIT request made by unit for which the unit has not resubmitted within time, etc. **The more prominent reason is that when the Regional Office returns some reports to the units for some deficiency the unit does not resubmit the corrected one within the reasonable time as there is no time line fixed for resubmission of reply/report by unit. In some cases it has been observed that units resubmits the required documents two days before the deadline of 88 days.** The RO TxC- wise no. of cases as on 19.11.2018 is given below:

Sr. No.	Name of RO TxC	No of cases
1.	RO – Ahmedabad	25
2.	RO – Amritsar	16
3.	RO – Bangalore	8
4.	RO – Coimbatore	48
5.	RO – Indore	1
6.	RO – Kolkata	4
7.	RO – Mumbai	17
8.	RO – Noida	14
TOTAL		133

The Textile Commissioner informed the Committee that he has taken a review meeting of all the Regional Offices today in the morning i.e. on 22.11.2018 and has given strict warning to all Regional Offices that they should follow all the timelines in future and no-relaxation whatsoever should be provided at any cost.

The Committee deliberated and recommended to condone the aforesaid cases to IMSC.

Additional Agenda Point No.2: Consideration of cases received for JIT Extension through online i-ATUFS portal:-

The agenda was deferred for discussion.

Additional Agenda Point No.3: Consideration of Amended and Revised Commercial Invoice & Packing List (for Imported Machines)

As per Para 6.4.3 of guidelines of ATUFS, machine serial number should be expressly written on the shipping documents i.e. “Commercial Invoice” or “Bill of Lading” or the “Airways Bill” or the same is expressly written in the “Bill of Entry” in case of imported machinery. In case of domestic purchases, the machine serial number should be expressly mentioned in the “Commercial Invoice”. This is an essential part of requirement under these

guidelines w.e.f. 01.04.2016 and would be essential to assign the MIC number to the applicant. Therefore, absence of this information will make the machinery liable to be ineligible for benefit under this scheme.

However in some cases machine serial number is not written on the shipping documents and Commercial Invoice as mentioned above. In such cases the units provides the new Invoice/Packing list (in case of imported machine) as given below:

1. Modified/Amended Invoice/Packing list by including machine serial number (either handwritten or typed) in original invoice/packing list
or
2. A fresh Invoice/Packing list with Old date after including machine serial number

The Committee deliberated and decided that such kind of modified/corrected Invoice and Packing list shall not be considered. However if the machinery manufacturer provides a certificate indicating the machine serial numbers against the machines supplied through a particular invoice, the same may be accepted. However, the machinery manufacturer will have to provide such certificate through the concerned unit and same may be certified by JIT. This may be allowed retrospectively from the start of the scheme to avoid grievances. The Committee recommended to place the same before IMSC for decision.

Additional Agenda Point No.4: Approval of Recommendations given by Technical Committee:

As per Revised Resolution on Amended TUFSS dated: 02.08.2018 a Technical Committee has been constituted. The 1st meeting of the Technical Committee under Amended Technology Up gradation Fund Scheme (ATUFS) was convened on 20.11.2018. The recommendations of the Committee were placed as an agenda.

The Textile Commissioner directed that the minutes may be put up to him for approval before placing them as an agenda in the TAMC. Hence the Committee deferred the agenda to the next TAMC meeting.
