1. Above data reflects that there is a decline in exports of all textile products except the category of Cotton Yarn/Fabs. Made-ups, Handloom Products etc, in February 2019 as compared to February 2018.

this is correlated with decline in production (IIP) of textiles.

2. Exports of apparels have registered a positive growth YoY in February 2019. This is correlated with increase

in production of apparels.
