Subject: Arrears for Revised Tariff for Financial Year 2017-18.

Respected Sir,

With due respect, it is to inform your goodself that the above said tariff was issued in November, 2017 however the same was applicable w.e.f. 01.04.2017. In the meeting held on 19.12.2017 with the representatives of the industry it was agreed that out of the total arrears from April, 2017 to October, 2017, 50% would be borne by the Punjab Government and the balance 50% would be paid by industry in 12 equal instalments.

Now our industry members have received energy bills where in 100% of arrears has been charged and the number of allowed instalments are 6 only instead of agreed 50% and 12 instalments.

Your goodself are requested to instruct PSPCL officials to issue revised bills in line with Government's commitment to the industry i.e 50% of the arrears in 12 equal instalments.

Thank You.

With kind regards
